

8X Super Multi Format

External Slim DVD/CD Writer

PX-L611U

USB2.0

The PX-L611U is an external DVD RW offering the convenience of a dependable DVD and CD burner in a highly portable package.

This highly-compact drive is light and slender, and weighs a mere 350 grams (0.77 pounds). Its size makes the drive ideal for business professional and students needing transportable but reliable, media burning and DVD movie playback. Further convenience is provided through the use of a unique single USB port and battery combination to power the unit eliminating the need to carry an AC adapter for the drive.

Reliable hardware is enhanced by a strong software bundle including PlexUtilities. This easy to use, but powerful application has multiple uses, for example it can test burned discs ensuring that vital business data has been written with 100% accuracy.

The key features of lightness and slimness, combined with PlexUtilities and the single USB port power source make the PX-L611U a highly-efficient portable DVD burner.

Compact Transportable Design

- Lightweight highly and portable design, weighs a mere 350 grams (0.77 pounds). Ideal for business travel, vacations or school use
- Small, slim size for easy transportation. Drive dimensions are only 137mm long by 137mm wide, and a slender 22mm thick

Convenient Single USB Power Source

- Powered by single USB port connection and unique built-in battery eliminating the need to carry an additional external AC adapter or further additional cables

Full DVD Burning and Utility Software

- PlexUtilities- an advanced utility which offers: testing and quality measurement of user written or pressed media, advanced drive and disc information, control and fine-tuning of the drive
- Full software bundle includes high-quality applications for DVD burning, CD burning, and media playback

Design Your Own Disc with LightScribe

- LightScribe direct disc labeling uses the drives laser to make customized labels on any LightScribe compatible blank disc. Use the included software to add black-and-white images and text to create professional looking labels for projects
